

Affidavit Of Death And Heirship Form

Select Download Format:

President and Chief Justice John Marshall's decision in *Marbury v. Madison* (1803) established the principle of judicial review, allowing the Supreme Court to declare laws unconstitutional. This decision is a cornerstone of the American legal system, as it established the power of the courts to check the power of the other branches of government. The decision is often cited as the foundation of the rule of law in the United States.
